About the Workshop

The present workshop is the important part of our ongoing project "Assessing the Impact of Skill India Mission on Sustainable Livelihood Opportunities of Youth and Out-Migrants: A Case Study of Selected Backward Districts of West Bengal (F. No. 88/CRP-2023-805/SIM(PMKVY)/SCD Dated:26.09.2023) under ICSSR Short-term Empirical Research Projects 2023-24 which aims to investigate the relationship between the Skill India Mission and the creation of sustainable livelihood opportunities, with a special focus on its implications for our local community. By bringing together local youths, stakeholders, trainers, and trainees, we aspire to foster dialogue, share insights, and explore avenues for collaboration in harnessing the potential of skill development initiatives for inclusive and sustainable development.

Objective of the Workshop

- To increase the awareness about Skill India Mission among the local youths and out-migrants.
- To show the implementation status of different schemes under the Skill India Mission (SIM).
- To discuss the data sources, methodology, methods of the data collection process, data compilation, organization, and outcomes of the project.
- To show the role of SIM on the sustainable livelihood opportunities among the local youths and out-migrants.

About the ICSSR

Indian Council of Social Science Research (ICSSR) was established in the year of 1969 by the Government of India to promote research in social sciences in the country. ICSSR provides grants for projects, fellowships, international collaboration, capacity building, surveys, publications, etc., to promote research in social sciences in India. Documentation centre of ICSSR - National Social Science Documentation Centre (NASSDOC) - provides library and information support services to researchers in social sciences. ICSSR has developed ICSSR Data Service to serve as a national data service for promoting a powerful research environment through the sharing and reuse of data among the social science community in India.

About the Institution

Malda Women's College, established in 1970, is a women's college in Malda district of West Bengal, India. The college is affiliated to the University of Gour Banga and offers undergraduate courses in Arts and Science i.e. Bengali, Economics, Education, English, Geography, History, Philosophy, Political Science, Sanskrit, Sociology and Women's Studies. The campus is situated in Malda. It is the vision of our college to encourage young women to aspire towards their own fulfilment and empowerment. The college is still working a vital role for the increase of women's education as well as women's leadership since 1970.
